JA is your solution to bring Women's History Month to Life!

- **Easy for Educators.** The program includes three 30 minute modules, each with a video you can watch live in your classroom or later on-demand, and a corresponding in-class activity.
- **Engaging for Students.** NJ women leaders share industry insights and career advice, and connect the in-class activities with the skills they'll need for future success.

Session 1

Business and Entrepreneurship

Students identify essential skills that help them succeed in business and career.

Live sessions:

March 8, 9:15-9:45

March 24, 10:15-10:45

Session 2

Innovation and STEM

Students brainstorm creative ideas to solve a work-related challenge.

Live sessions:

March 8, 11:30-12

March 15, 1:30-2

Session 3

Financial Empowerment

Students learn the importance of maintaining good credit.

Live sessions:

March 8, 2:30-3

March 18, 11:30-12

This program is offered live and on-demand. Educators will indicate their method of implementation on the registration form.
